> This is the story of a girl
 Who got infested and conquered a world

 It was I who watched over her

> She doesn't know any fear
 Threatened Zasz 'least that's what I hear

> Just want her to be near
 Don't understand the things that I feel

> The Terrans and Protoss are fading
 Their cities are under the Creep and its ooze

> I think that it's perfectly clear
 I've never seen her battle and lose

 And she grows in power ev-er-y day

 But something tells me everything's not okay
